

Columbus Park of Roses 2023 Shrub List

This list, alphabetized by each shrub's botanical name, includes most shrubs throughout the CPOR. To find a particular shrub in the gardens, you can cross-reference the listed location with the CPOR map at the bottom of this posting. The map includes the names of key garden areas. The same map is printed in free CPOR brochures located in dispensers on several kiosks throughout the gardens. Most shrubs have a small label stake indicating their botanical and common names. Enjoy the gardens!

Genus, Species, Cultivar	Common Name	Location
<i>Aesculus parviflora</i>	Bottlebrush Buckeye	East of Wedding Mall
<i>Buxus sempervirens</i> 'Monroe'	Boxwood	Backyard Garden
<i>Buxus</i> x 'Green Mountain'	Boxwood	Backyard Garden
